

A Nap at Last

Get to bed.

A spot for
bed?

A spot to
nap?

It is not.

A spot to
rest?

It is not.

A spot for
a bed?

It is not.

A spot for
a nap?

Not the
spot.

A spot at
the top.

A nap at
the top.

A Nap at Last

Sloth is SO sleepy - his arms feel like noodles and his eyeballs might roll right out of his head! He just needs one perfect spot for the biggest, longest nap ever. But will the first branch do the trick? What about a giraffe who thinks he's a salad, a buzzing beehive, or a very grumpy snake? Where will poor Sloth finally close his eyes? This decodable reader practices VCC/CVCC words including 'spot,' 'nap,' 'rest,' 'get,' and 'top.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
