A Rod

Pam has a shiny new rod and she's off to the pond - but poor Sam has nothing in his hands! Can Sam find a rod of his own before Pam reels in the biggest catch? He hunts west, he digs in the dirt, and he stumbles on two rods that have seen better days. Will any of them actually work? This decodable reader practices VCC/CVCC words such as "bent," "find," "lost," "went," and "mend."

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
