

A SPOT TO NAP

Illustrated By
Graham Paterson

Written By
Belinda Moore

This sloth wants a
nap.

It will find a prime spot.

Is this the spot to
curl up and have a
rest?

Munch! This is not
the spot. Move on,
sloth.

Up to the next
branch. Is this the
spot for a nap? Ah,
yes.

Oh no! A bunch of bees in a hive! This is not the spot.

Is this branch the
spot that it wants?

Crunch! That is not a
branch. Let that
snake go!

It is close to the
top. This must be
the spot.

Oh no! Come on,
sloth. Up to the top. I
hope there is one
more spot.

The sloth is at the
top. Is this the spot?

Yes. Have a good
nap, sloth.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
