

A Tall Tale

illustrated by
Sonia Dearing

This is my Pa.

He tells
tall tales.

He tells me of a
girl made of air.

..

You can
see her in
a storm.

Or if flakes fall.

He does not
get a fright.

He puts paint on the
girl to spot her.

He paints the things
she likes best.

She loves it.

Now, kids see her
by the things that
she loves.

I ask Pa if it is one
of his tall tales.

He does
not say.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
