

BEST PALS

written by
BELINDA MOORE

illustrated by
LAVANYA NAIDU

A best pal just feels
right. When you hang
out, it makes you smile.

A best pal tries to
help you get good at
things that you love.

It could hurt, but they say what
they think. They do not tell lies.

A best pal will split stuff
with you.

A best pal will think of you
when you are not in sight.

You and your best pal
talk when there are odd
things in life.

If the day does not
go well, they will
keep things bright.

If a best pal cries, they will be right by them.

A vibrant illustration of a young girl with dark, curly hair and a wide-eyed, happy expression, sitting in a small, light blue paper boat. She is holding a bright yellow umbrella that has a simple face with two eyes and a smile. Next to her is a small, purple hedgehog with colorful spines. The boat is floating on a blue sea with white-capped waves. The background is a deep blue sky with white rain streaks falling diagonally. A single yellow vine or leaf curls through the upper right corner of the scene.

A best pal dries
your eyes when
things get hard.

A best pal can make you
mad and you can tell
them so.

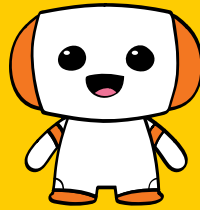

A best pal will help you
dream of big things.

A best pal will
make the world
fresh and fun.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
