

BEST PALS

written by
BELINDA MOORE

illustrated by
LAVANYA NAIDU

It is so much fun when
you spend time with a
best pal. You can have
a good time even when
there is nothing to do.

Best pals share pens. They cheer each other on as they make art and gain new skills.

A best pal can tell the truth. It can be a bit hard to tell a pal how they can work on a skill, but it helps their pal to get even better.

If there is only one of something left,
best pals will always split it. They will
each get less, but they will both be
happy.

A best pal is always ready to pop around
if you are feeling down. They can help to
heal you. They can put a smile on you
even when you feel glum.

Best pals share things that happen in life. It is no big deal when you have a best pal to talk to. They might have had the same thing happen. Or something close...

A best pal is there when you make a fatal mistake. They give you the strength to fix the problem and carry on.

They will be there right beside you when you feel like things are not fair.

Yes, a best pal will help you brave the tidal waves in life. Big problems can even feel fun to sort out when a best pal is there with you.

You might fight sometimes, but it is not for good. You just need some time to work it out. Then you will be close again.

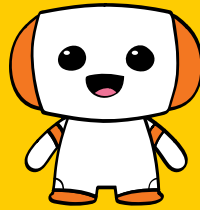

And after that, it is back to lots of fun and sharing big meals. You bounce right back to how things were.

That is what a best pal
is all about. They change
the way that you see the
world and make life feel
magical.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
