Cat Is Lost!

Kit the cat has vanished! She was curled up on the pillow last night, but now there's just a cat-shaped dent and one tiny whisker. Where could she be hiding? Is she snoozing in the big blue pot, wedged under the cupboard, or tucked away somewhere much sneakier? Follow along as one determined kid hunts high and low for a very tricky kitty. This decodable reader practices VCC/CVCC words such as 'fast,' 'lost,' 'soft,' and 'went.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
