

# Cood

An Unofficial Minecraft Book

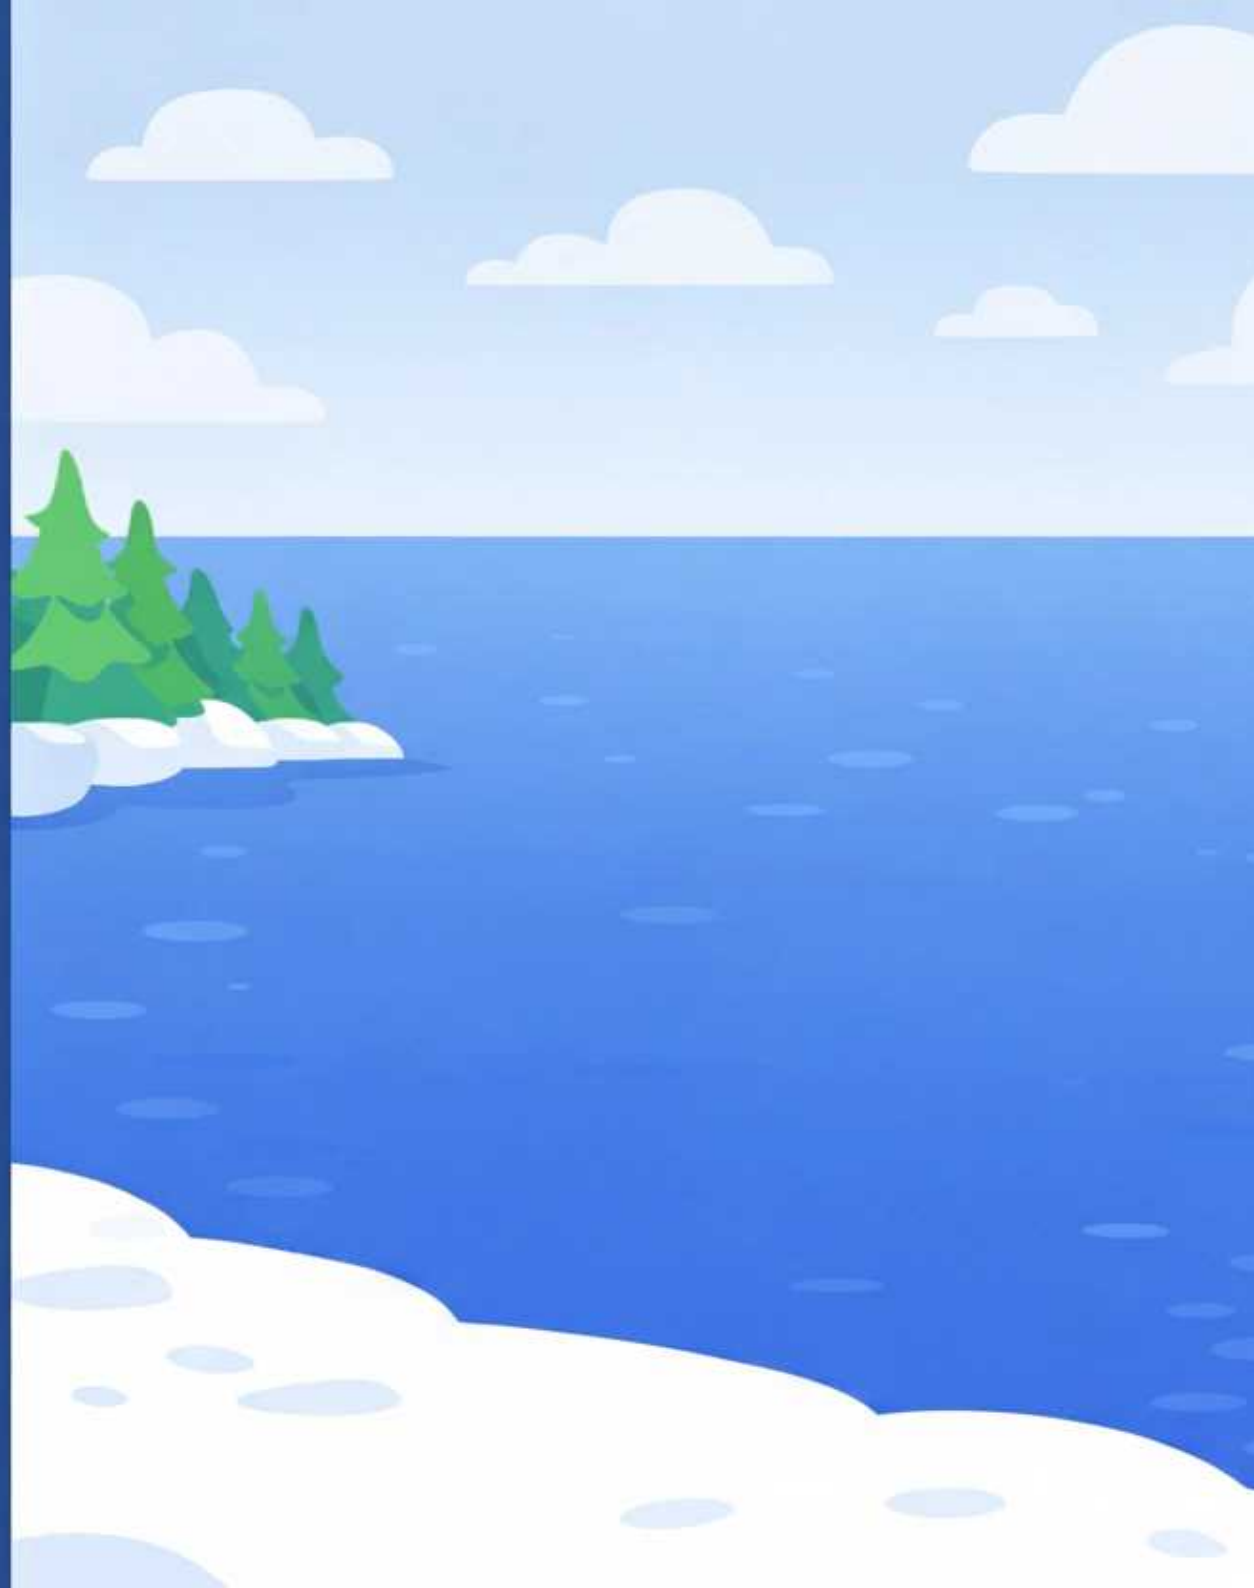

Here is a cod  
out in the  
bay. It loves  
to splash and  
play all day.

The cod sees  
Steve. It will  
not wait! It  
swims to kelp,  
safe from bait.

Steve has no  
net, no rod,  
no pail. To  
catch this cod  
he just might  
fail.

But Steve  
will not give  
up today. He  
says, 'I will  
find a way!'

Steve jumps in  
with a splash  
and spray. He  
dives down  
deep to find  
his way.

The cod has  
fled. It did not  
stay. Steve  
waits and hunts  
along the bay.

Wait! A flash  
of green in the  
bay. Steve  
peeks where  
the cod may  
stay.

Steve checks the sand where the cod may stay. But the fish found a way!

Steve wades  
out, wet from  
the spray. But  
wait! What  
sits in his  
way?

It is a pail!

Steve yells with  
glee. He can  
use it to scoop  
fish from the  
sea.

He sits in the  
sea and holds  
his pail. He  
waits for the  
cod. He will  
not fail!

One quick  
scoop. The cod  
can not **stray!**  
Steve lifts the  
pail. What a  
great day!

## Cod

Deep in the bay swims a cod who is far too quick, far too clever, and far too sneaky for any fisherman to catch. Every single one has given up - except Steve. But Steve has no rod, no net, and no bait. How on earth will he catch the fastest fish on the coast? Could a little pail washed in by the tide save the day? This decodable reader practices the ai/ay phonogram with words like 'bait,' 'pail,' 'stay,' and 'spray.'

### Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at [www.bookbotkids.com](http://www.bookbotkids.com).
