

COLOUR MIX

Illustrated by
Aprilia Muktirina

Who is this?

It is red, blue and
yellow dinosaur.

Red dinosaur
is hot.

Yellow dinosaur
is hot too, like
the sun.

Yellow

Blue

Blue dinosaur
is cold.

What do we get if we
mix red and yellow?

Orange

It's orange,
of course.

When we mix red
and blue, it makes...

purple

Yes!

It is purple.

One last try.

Mix yellow and blue.

Green

And here
is green.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.

You are free to:

Share — copy and redistribute the material in any medium or format. Bookbot will not revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to **<https://literacycloud.org/stories/85...>** and **www.bookbotkids.com/free-books**, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
