FILL IT

UP!

She wants a
drink.

She must go and find
one.

The bore is dry.

The tank is dry.

The creek is dry.

The dam is dry.

The sea is full of
salt.

Will it storm?

It is a big storm.

She curls up.

A colorful illustration of a landscape. In the top left, a bright orange sun with several small orange rays is shining. The sky is a light blue gradient. In the center, there is a large, rounded yellow hill. On the left side of the hill, there are three brown trees with green leaves. On the right side of the hill, there is a green, blocky, cartoonish character with a blue base and a small white mark on its head. A blue stream flows from the bottom left towards the center, and another blue stream flows from the right side of the hill towards the bottom right. The overall style is simple and whimsical.

The storm filled it all!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
