Jojo just wants someone to kick a ball with, and the quick-footed boy on the other side of the fence looks perfect. But why won't he stop when Jojo shouts? Why doesn't he hear the bicycle racing toward him? When the ball rolls into the road, Jojo has seconds to act - and what happens next turns two strangers into something more. A warm, wordless friendship begins on a golden football field. This decodable reader practices VC/CVC short vowels through words like 'can,'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
