

Got To Go

illustrated by
Jackson

An illustration of a scene where birds are being chased. A large, brown tree trunk is on the left, with a dark hole. A small, white bird with a blue face and black markings is perched on the tree. Several other similar birds are flying away from the tree. In the bottom left, a person's hands wearing green gloves are holding a long pole with a net. Another net is visible on the ground in the bottom right. The background is white with some green leaves scattered around.

Oh no! Nets!

Got to go, birds!

Tim wants to stop
for fun.

No Tim!

Got to go!

Tim stops.

He spots a
lot of bugs.

He does not spot his
pals. Oh no!

He must drink.

Aaaam!

He must eat.

Tim can go for a
long fly now.

Do not stop!

Do not stop for
the big bug.

Do not stop for
the...

Star bugs! Oh no!

The nets!

Got to go,
Tim!

Fly fast.

Do not stop!

His pals!

Tim did not spot
them.

He is back in
his flock.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.

You are free to:

Share — copy and redistribute the material in any medium or format. Bookbot will not revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to **<https://literacycloud.org/stories/13...>** and **www.bookbotkids.com/free-books**, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
