

He Can Draw

ILLUSTRATED BY
ERIC COMSTOCK

Paul wants to draw.

He saw his art pad
in here.

There it is!

He draws three
shapes.

Two small dots
and one big one.

Here are two
more shapes.

Dots in dots!

Are they eyes?

Paul fills in the big dot.

He stays in the lines.

Is it a nose?

We are in for
the long haul!

He draws a box
to the side.

The box gets
four legs with
feet. Will Paul
draw a cat?

The big, black dot
gets a smile.

What has Paul
drawn?

He wants us to tell him
what we think it is.

What do you think?

Oh! A small tail
at the end.

The tail is up.

What has a tail
that goes up?

A dog!

Paul has drawn
lines for fur.

The dog is so
cute!

You can have a go!

Try to draw this dog
like Paul did.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
