His Big Gig

Crow has a big, beautiful, totally genius plan - he's going to WOW the animals with his amazing singing voice! But what happens when Rabbit, Rooster, and Lizard hear his very first note? Why does everyone run away the moment he opens his beak? And could a little wooden bench in a patch of sunshine change everything? A warm, funny tale about sharing the spotlight. This decodable reader practices VC/CVC short vowels in words like 'sad,' 'sat,' 'ran,' 'hit,' and 'gig.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
