

Hum It, Bug!

Bug sits on
a twig.

Grin so big!

Duck sings,
all wet. Bug
frets, 'Not
yet!'

Frog sings
a lot. Bug
will not.

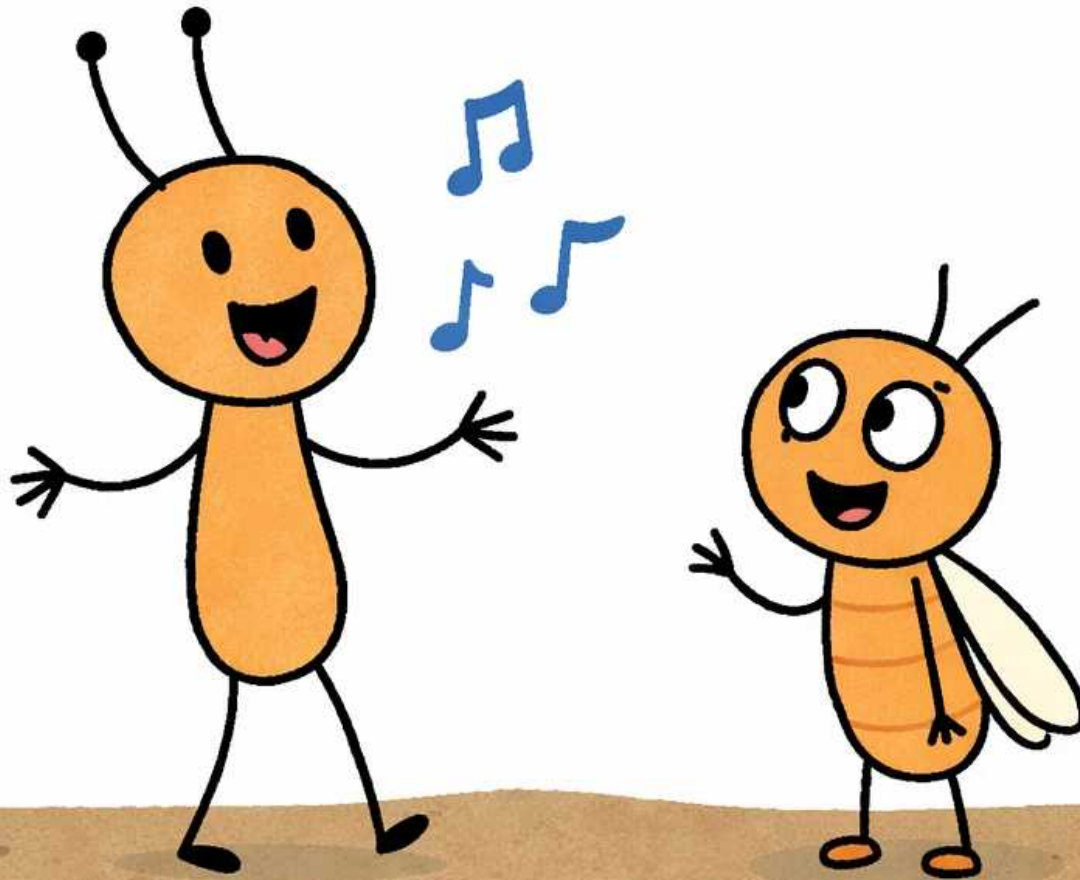

Big Bird sings
on a twig.

Bug claps,
grin so big.

Sad Bird is
glum. Bug
frets, 'No
hum!'

Crick sings with skill. Bug stands
still.

Bug grins and
sings. Her chirp
drifts and
rings.

The clan runs in. All
sing with a grin.

They all sing
well. The
song casts
a spell!

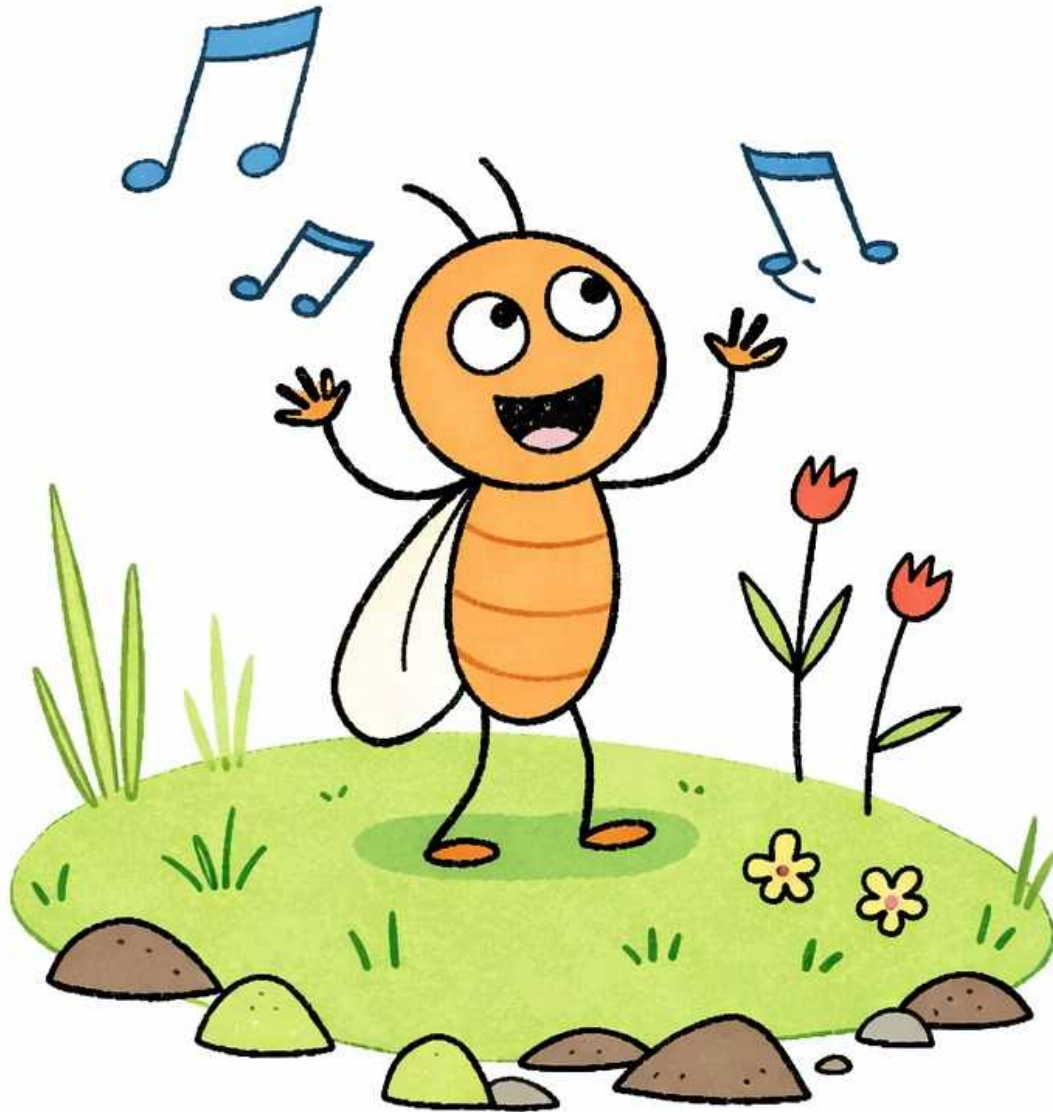

Bug sings

on the hill.

Chirp rings

still.

Hum It, Bug!

Bug has a fizzy, buzzy, can't-sit-still feeling in her belly, and today she wants to SING! But what do you do when Duck only sings in the rain, Frog's song has forty-seven verses, and your own voice comes out as a tiny squeak? Can Bug find a song that's truly her own? This decodable reader practices CCVC/CCVCC blends with words like 'frog,' 'grin,' 'still,' 'drifts,' and 'spell.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
