

I AM A TRAIN!

illustrated by
Mehedi Haque

I am a train!

My name is Bam.

I am long, fast, and
blue.

I ride on the rails, as fast
as the wind.

Birds try to chase me, but
they can not catch me!

But one day, I go too fast and too far.

I am in a mean spot, full of mean trees.

There are more and more mean things, and I
lose my way. I am so far from home.

Where am I?

I am so sad, I start to cry.

This is a bad day.

But who is this?

Will he help me?

He holds a flute and starts to play!

What a great sound.

I will find the way!

We dance and dance, so happy and free.

I am not lost, I have found the way!

My name is Bam, and I am a train.

I am long, fast, blue, and not lost!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
