

# I can do it all

I am in the mood to do some art, but I cannot put my finger on what kind of art to do. There are so many to choose from.

Sometimes when I want to do art, I have a picture of what I want to make in my head. Not this time. I just feel like making something cool.

My dad likes to paint the best.  
We do some painting side by  
side. I do not want to paint all  
day. I just want to paint for a  
bit.

My mum likes to cut shapes out of paper. She gives me a lesson. You can make lots of different patterns by cutting paper.

When Gran comes to do some art, she brings different bits of flowers and leaves from the yard. We press them onto the page.

Pop likes to do some writing when he feels like making art. He writes the best stories. They always make me feel like writing my own story.

I have done a lot of little bits of art, but I do not know what I want to do for my big piece of work. My brother gives me a great idea.

I collect all of the art that I have done and write a story beneath it. Now I have made a book to share with my family.
