

I Can Spot

illustrated by
Lá Studio

A frog can spot
the rooster.

It spots me.

I spot a man.

He is off to town.

He spots a
big cow.

The cow
spots a bird
in the sky.

The bird
spots a cat.

The cat
spots me.

I spot a bug.

The bug
spots the
stars.

The stars
can spot
us all.

There are a lot of
stars in the sky.

Off to sleep.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
