I want to go home

illustrated by
Try Samphos

Aw no!

Bee is lost.

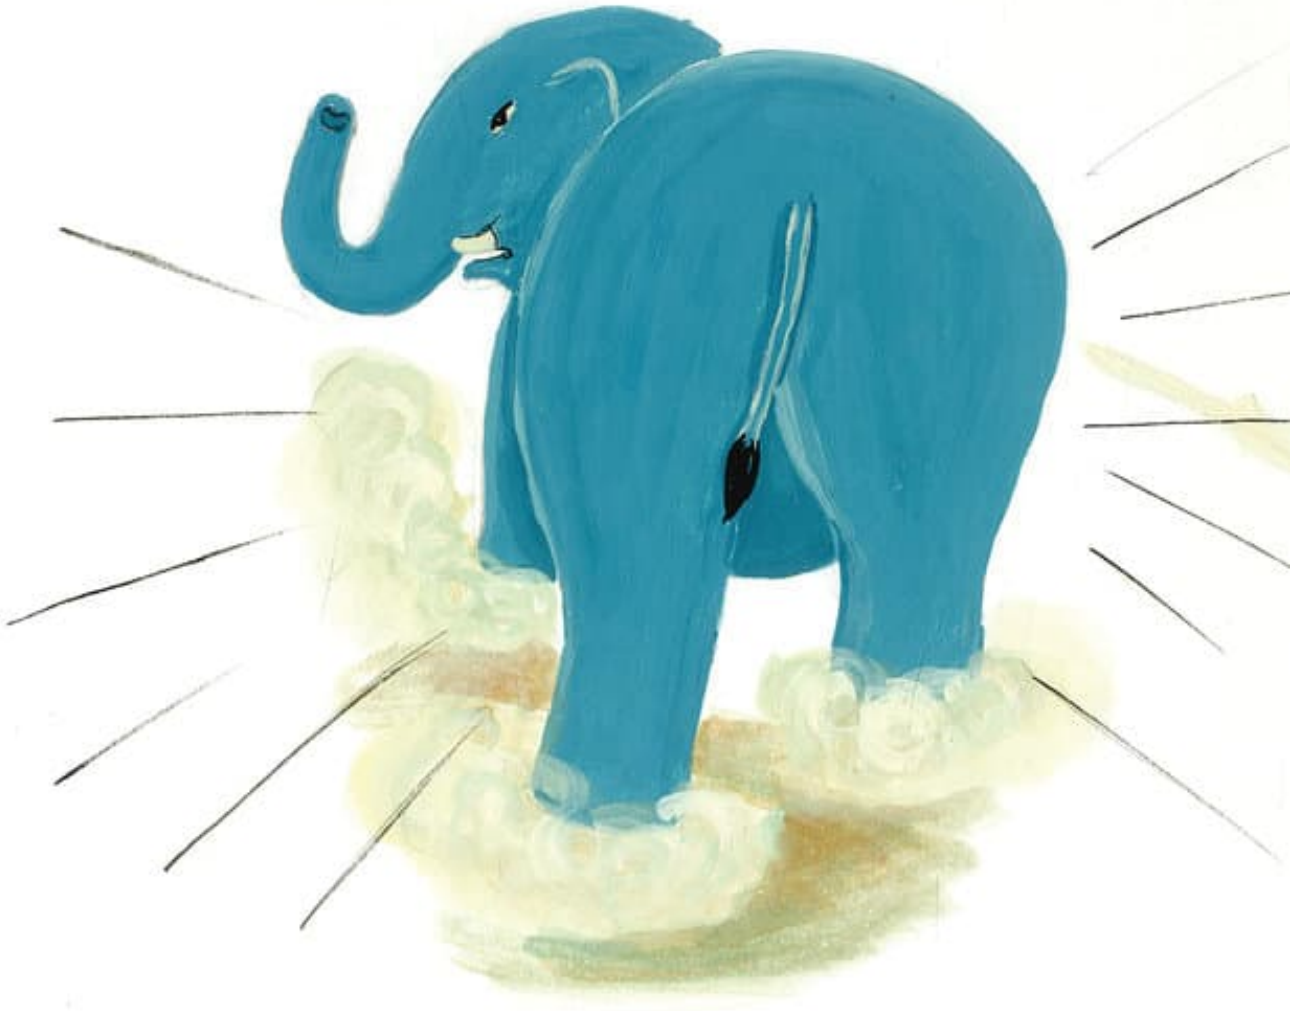
He cannot find his way home. He makes a big buzz.

Elephant wants to help.

She puts Bee on her trunk and takes him up to a nest.

The bird is a bit raw about that.

She dives at them until they leave.



Is this Bee's home?

Elephant thinks it is a bit dark, but maybe bees like it?

No! This is a home for bats.

The bats all swarm out of the cave.

Is this hive his home?

Elephant can see more bees. It must be!

Yes, Bee is home!

The other bees saw them coming. They buzz as they greet him.

Elephant wants to go home, but which way is it?

Now she is lost.

It is ok. Bee will take her home.

This time she will make sure that she can get back.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence.**

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com.**
