

IN MY GARDEN

illustrated by
Kishor Joshi

There are a lot of
butterflies on my
pink flowers.

And I think the
bees like my
garden as well.

The bees take a
drink from my
flowers.

Birds are in my
garden as well.

The background is a light blue gradient. In the top-left corner, there are yellow flowers with green stems and leaves. In the top-right corner, there are more yellow flowers with green stems and leaves. In the bottom-left corner, there are large, dark pink roses with green leaves. In the bottom-right corner, there are green leaves and a small yellow flower.

There are big banks
of flowers here and
there.

Some are red...

...and some are
white.

The bugs flit from
flower to flower.

They want to drink
from them all.

I think my
garden is the
best.
