

IN MY LIFE

Illustrated by Proiti Roy

I have a lot of great
people in my life. I
have pals to play with.

I love my pop. We
ride his bike in the
park as we chat.

My nan reads me
books. My pets like
to sit by us as she
reads.

I have a lot of fun
things in my life
as well. I love my
toys.

I give thanks for my
mind as well. I have a
mind that can think up
cool thoughts.

These are not my
pets, but it makes my
chest swell when I see
animals.

I am glad that I have a
mum and dad. They
help me with so much.

I love to spend time
with my uncle in the
yard. I have a lot of
plants in my life.

My brother can be
more like a child
than I am, but I still
love him.

Last of all, I am
thankful for my sister.
There is so much that I
love in my life.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
