

In the Sky

illustrated by
Andre Ceolin

We can see
clouds in the
sky. We have
found a man up
there! He waves.

We rest in the grass
as we stare up at the
clouds. We count them
as they go by.

The men in the clouds
do a jig! She does a
jig with them.

They start to sing.
They tilt their
heads and put their
arms up.

An illustration of a joyful scene in a vast, orange-brown field under a blue sky. In the foreground, three children are dancing: a girl on the left in a blue dress with a colorful patterned skirt and a red headscarf, a girl in the middle in a red shirt and patterned skirt, and a boy on the right in a striped shirt and blue pants. Three small, brown, monkey-like creatures are also dancing on the ground. In the background, four large, white, ethereal figures with long limbs are floating among soft, white clouds, appearing to be part of a band. The overall mood is celebratory and magical.

The men in the
clouds are in a band!
They have a drum.

As he bangs the
drum, a storm
comes. Rain falls
down.

We run into the
house. It is dry in
there.

We have a bout of
dancing as we dry
off.

We sing for Mum
and Dad, just like
the cloud men did.

We play in a band
and do a jig.

Then we rest, just
like the cloud man
does. Time for
sleep.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
