# Litterbug

Di is a litterbug. She likes to throw trash and watch it fly.

The next day as she  
wakes up, there is trash  
by her bed. It stinks!

It goes with her like a  
cloud. It takes all of her  
joy.

The girls and boys hate  
it. They tell her to clean  
up.

Di is left with the  
rats for pals. She  
feeds them scraps.

Di tries to hide from the world. She feels gross.

Di does not want to be a  
litterbug. There is no trick or  
ploy that will help. She just  
needs to change.

She runs, but the junk zooms with her. The flies come too.

Di sees a litterbug throw trash on the street. She tells them not to be a litterbug if they do not want to end up like her.

Di starts to grab  
all of the bits of  
trash that she can  
find. She puts  
them in bins.

The more trash that she  
puts in the bins, the  
more the cloud shrinks.

It is all gone! Her  
pals are glad  
that she had a  
big clean and is  
not a litterbug  
now.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **[www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books)** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **[www.bookbotkids.com](http://www.bookbotkids.com)**.
