

LOOK! LOOK!

illustrated by
EorG

He is sad.

Do not cry.

I can help.

He wants the toy.

It is in the sky.

A whimsical illustration of a child flying on a large, brown, seed-filled balloon against a teal background with stylized clouds and falling seeds.

I can help.

We can fly!

A whimsical illustration of a child with dark hair, wearing a blue shirt and white overalls, sitting in a small wooden basket. The basket is suspended by a large, brown, textured object that resembles a giant button or a piece of fabric. The child is looking down at a baby in a white cradle inside the basket. The background is a light blue sky with stylized white clouds. Numerous buttons of various sizes and colors (yellow, brown, white) are falling from the sky, creating a chaotic scene. The ground is a green, hilly landscape with a large green plant on the right. The overall style is soft and painterly.

The sky is big.

It is a mess!

We find
the toy.

Oh!

He bit it!

Uh oh! We fall.

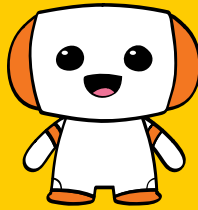

Hold on!

We get back.

Look!

It is Mom!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
