

MEL CAN HELP

illustrated by
Aprilia Muktirina

There has been a big flood. Mel was split from her mum and dad.

Mel found a safe spot up high. The doctors are helping people.

Mel wants the
doctor to help her.
She wants to find
her mum and dad.

The doctor is called Jen. Mel asks her to sing a song. She sings with a smile.

Jen gives Mel a
snack. She does
not feel like eating.
She is too sad.

Jen has to go back
to help people. Mel
does not want her to
go.

Mel helps as well. She brings slings and kits to Jen. She is a big help!

At the end of the shift, Mel wants a big meal. She has been hard at work.

Mel finds more kids
that are lost. They
play out in the yard.

The kids do some craft with Jen. They make things from card.

They turn off the
lights and put on a
torch. Mel's toy is so
big!

They give Mel's toy
some pals by
making shapes with
their hands.

It is time to sleep.
They go to their
bunks. Jen tucks
them in.

Mel wakes up to her
mum and dad! Jen
put out a call to find
them.

Jen thanks Mel for
all of her help. She
will tell her mum
and dad all about
it.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
