

An Unofficial Minecraft Series

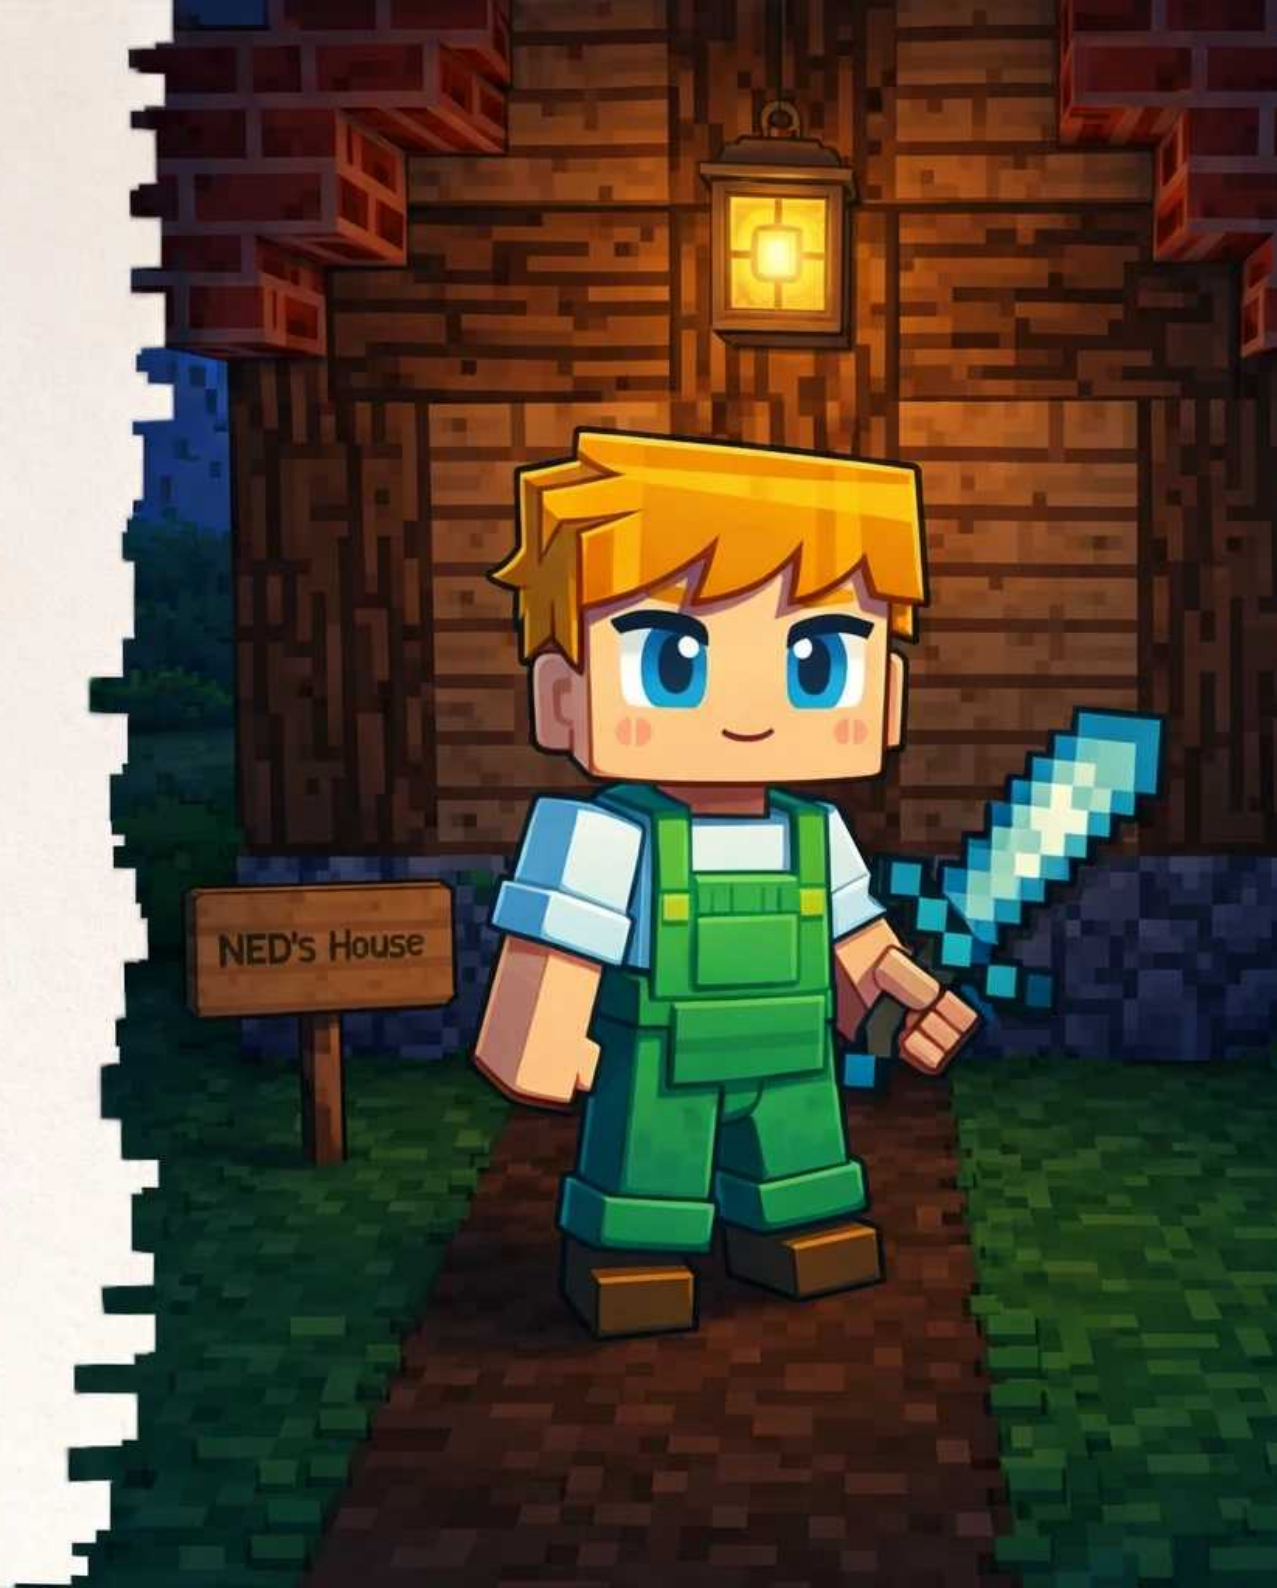

Neo
and the
MAGIC BOOK

Ned Beats the Beasts!

Ned had a great
blade. Ned was
not afraid.

Tonight he will
fight. He will beat
beasts in the
night.

A zombie
leaned out
with a great
moan. Ned felt
weak and let
out a groan.

Ned's blade lit
up with a
bright gleam.
The zombie
burst with one
last scream.

Ned picked up
goo that was
not clean. Behind
him, bones crept
close, sharp and
lean.

A bone beast
shot right at
Ned's head.
Ned leapt
back fast, full
of dread.

Ned held his
breath and did
not speak.
Click, click
came the beast
with a creak.

Ned leapt up
with a great
loud yell. In
one swing,
the bone
beast fell.

Ned yells out
loud, 'I beat
each beast!'
He did not
see the mob
sneak east.

A mob of
beasts came
in a stream.
Ned ran off
with a great
scream.

Ned ran home
in fear and
dread. But a
big red beast
was there
instead!

Ned took a deep
breath and leapt
with a yell. One
great sweep of
his blade, and
the beast fell.

A small gleam
lay at his feet.
Ned gave a
grin, his win
was sweet!

Ned Beats the Beasts!

Ned has a cozy house, a farm full of carrots, and one very big problem - every night, monsters come creeping out of the dark! Tonight, Ned has decided he is done hiding under the blankets. He grabs his magic sword and marches out to face them. But can one brave farmer really beat a whole mob of zombies, skeletons, and a giant spider? This decodable reader practices the 'ea' sound in words like 'beast,' 'dream,' 'leap,' and 'stream.'

Reading Skills: <ea>

beast, beasts, beat, breath, clean, creak, dread, dream, each, ease, east, gleam, great, head, heap, lean, leaned, leap, leapt, reach, sneak, speak, stream, weak

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
