

PAT THE CAT

illustrated by
Adrie Le Roux

Pat the Cat is in a tree.
He does not like to
catch prey.

Pat gets food from the
Jones family. But they are
off on a trip.

Pat will have to find
food. He goes into
the Jones' house.

Bags of chips!

They are all in a line.

Pat swipes at them.

Hey! He is eating all of
the chips! That is too
much.

Pat finds bits of food on
desks and in bins.

Then he gets the fridge open. It is so good, he will have food for days!

Hey, Pat! That is a lot of
food! You will get sick.

Pat is fat. He does not
look well. But he still
wants more.

Pat has had all of the food
in the whole house.

He wants to go out to his
tree, but he is too fat to
get out!

The Jones family is home! They see a big mess. Then they see Pat.

They feel bad for Pat. He
does not have a home.

They take Pat in.
They will take care
of him. He is Pat
Jones now.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.

You are free to:

Share — copy and redistribute the material in any medium or format. Bookbot will not revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to **<https://literacycloud.org/stories/30...>** and **www.bookbotkids.com/free-books**, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
