

PULL THE TWINE

I make my own
puppets.

I hide at the
back while I
pull the twine.

I can lift up
their arms and
make them
wave.

She will show
us the stars in
the sky.

I can get her
to bend down
to check on the
ferns as the
tiger keeps
watch.

Wow!

I can get this
puppet to show
us things about
germs on her
board.

This is how I
make my own
puppets.

I make them
with card,
twine and cloth.

I love to put on a show with
my puppets. It feels good to
have done it all myself.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
