

SMOG

May lives in a town with a
lot of smog. There is no
sun.

Her dad tells her
that there used
to be sun when
he was a boy.

May goes up high. The
smog drains away.

There is sun!

She goes into where her dad
builds and paints things.

She makes a plane, but it
does not fly too well.

May stays on task. She
makes the plane strong.

The whole town comes out
to see her fly. They wish
her well.

May goes up into the sky. She
waves back at her dad.

May gets to
the sun! The
sun tells her
that the smog
must go.

May flies back down. The town gets to work. They plant trees and clean up.

They find new ways to do
things. The sun comes
back!

May makes a big plane.

She will fly to more towns
to help out.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.

You are free to:

Share — copy and redistribute the material in any medium or format. Bookbot will not revoke these freedoms as long as you follow the license terms.

Under the following terms:

Attribution — You must give appropriate credit, provide a link to **www.bookbotkids.com/free-books**, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

NoDerivatives — If you remix, transform, or build upon the material, you may not distribute the modified material.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
