

spots to Live

Some of us live in a house that is tall and bends in the wind at all hours.

Some of us live at
the back of a shop
so where we work.

Some of us live in
a big house on
stilts. We live with
other people.

Some of us live
in town. It is
loud, but there
are more people
to sell to in
town.

Some of us
just live in a
room. The
rooms are
stacked on
top of each
other.

Some of us like to have a spot where we can be proud of our skill with bikes.

Some people live out
on a lake. This house is
like a boat!

There are so many spots to live in the world.

Which kind of house do
you think works the
best for you?

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
