

Spring

illustrated by
Priya Kuriyan

It is the start of
spring. Things
feel new and full
of life.

Chicks hatch out
of their eggs.

Their mums and
dads find food.

Her mum has a new dress. It makes her feel fresh and full of joy.

Her pa shows
her what to
plant in the
spring. The
ones in the
back grew a lot
last year.

It is not too hot or
cold in the spring.
The plants love it.

The cat is out in
the yard!

She grabs him so
that he will not
hunt.

Green birds flew
up into this tree
to eat the new
shoots.

They make ink for
Holi. That is the
best part of
spring.

We get the whole crew!

It is time to play, laugh and thank.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
