Tad Ran for Nan

Can a wobbly little duck really beat a whole flock of sleek racing champions? Nan believes in Tad with all her heart, even when Boy laughs and the other kids giggle. Every morning they run the hills together, getting ready for the big Saturday race. But when the starting horn blows and the flock shoots into the sky, something surprising begins to happen! This decodable reader practices VC/CVC short vowels in words such as 'can,' 'ran,' 'got,' and 'has.'
