

The Best Tube

illustrated by
Nguyễn Thị Ngọc Bích

She makes art.

She has a box with
tubes of paint.

She will start soon.

The yellow tube is new.

It does not want her to
squeeze and squash it.

She is good to go.

She looks out at the town
so that she can think.

She starts with
some trees that
droop down. The
trees bend in the
wind.

Look, some wisps
of cloud in the sky.

She paints them
like pals.

She paints a sprite
that lives in the
vines and the
buds. She has a
flower on her head.

She paints the mouth
of a cave. The dark
water drips down like
ink.

She has a rest.

The cat has a ball
of wool. It is so
dark in her house.

She looks out. The sun is
up! The light makes the
town look warm.

She talks to yellow. She does not push it. It wants to be a star in her art.

Yellow is glad that it
chose to be in the
art. It made it bright
and fun.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
