

# THE GOOD LAMP

illustrated by  
**Alina Aphayvanh**

Cam lives in a  
hut far from  
the town.

He has a little lamp.

He took it to catch a  
frog.

It is dark, but  
thanks to the  
little lamp, Cam  
can still read his  
book.

When it is time  
for bed, Cam  
blows out the  
lamp.

He sleeps well.

He thinks his  
little lamp is so  
good.

Then, one day  
electric lamps  
are put in on  
the street.

They make the  
room seem like it  
is day time.

So Cam does  
not need use  
the little lamp.

It sits on the  
floor with no  
flame.

The little lamp  
is so sad.

It thinks it is  
not a good  
lamp now.

But, a big  
storm comes  
and hits the  
electric lamp.

The electric  
lamps go out.

Cam finds the  
little lamp in  
the dark and  
gives it a new  
flame.

The little lamp  
is still good.

It is dark, but  
Cam can still  
read his book.

Thank you  
good little  
lamp!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **[www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books)** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **[www.bookbotkids.com](http://www.bookbotkids.com)**.
