

There was a sharp pain in
Wiwit's belly. It would not
go away

That pain was like a monkey on
her back

But she did not want to
visit the doctor again

Wiwit thought it would leave her alone when she picked vegetables

But most of all, Wiwit worried what would happen when she danced in the art festival

Finally, Wiwit had enough. She did not want the monkey on her back anymore. "Mama," she cried. "How can we make the monkey go away

Her mother wiped Wiwit's tears.
She told her the doctors could help.
Wiwit nodded

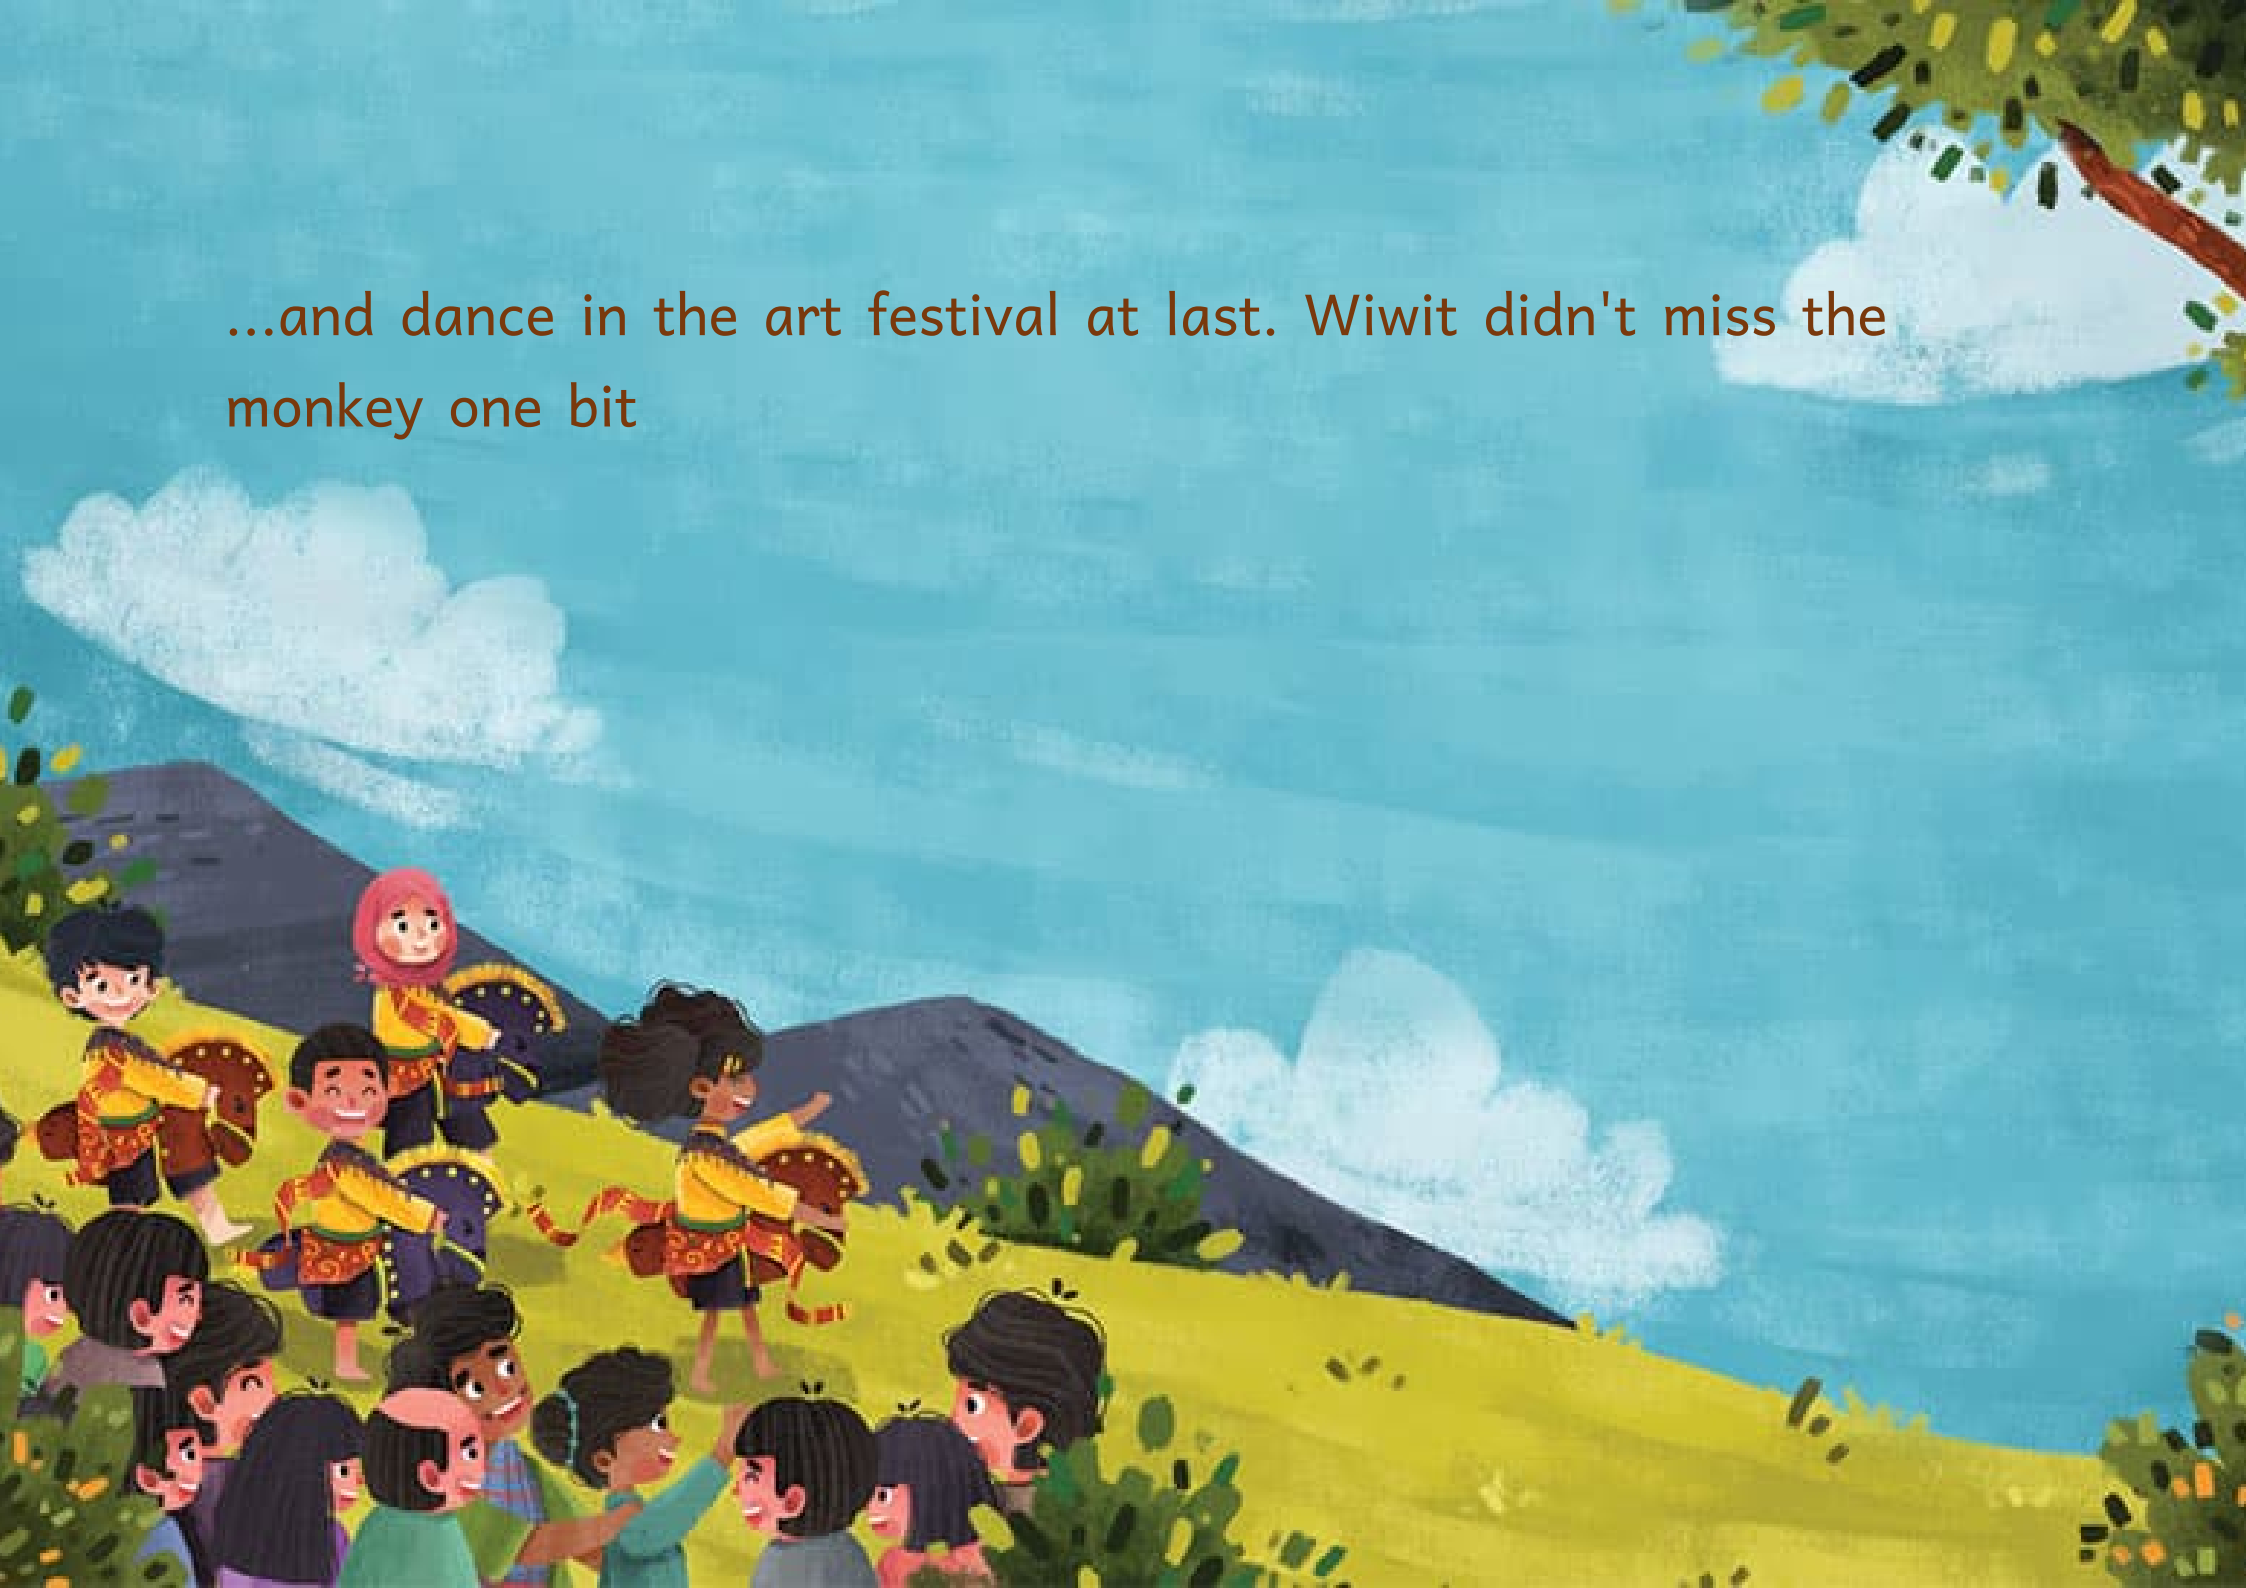

Wiwit had an operation at
the hospital

The next week, Wiwit's friends came to visit her. They couldn't wait for her to feel better so they could play together

...and dance in the art festival at last. Wiwit didn't miss the monkey one bit

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
