

THE QUEST

written by
BEL RICHARDSON
illustrated by
ROSH

Snap chats to her pop. She wants to go on a quest. He went on a quest as a small croc.

She chats to her mum as
well. Her mum tells her to
be smart but have fun.

She jumps in the river and starts
to head off to the sea. She will find
a new place.

Snap swims for days. Then she starts to see sights. There are new plants and fish.

Each way she turns she is
in awe. It all fills her with
joy.

Snap does a few loops in the sea. It is a great place to swim.

She chats to animals
that she has not seen in
her whole life.

One of them leaps
in the air. She loves
the view.

Her quest was fun, but
now Snap starts to miss
home.

She heads back to the river that she took
to this new place.

When she gets there, the
view makes her sigh. The
old things can make you feel
good too.

Best of all is when she spots her mum.
They sit on the bank as the dew sets in.
It is good to be home.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
