

THE SEA DRAGON

Illustrated by Gilang Ayyoubi Hartanto

Bam and his pals are on the beach.

Bam likes to play the flute for them.

It helps them take a nap.

But things start to shake!

'What is this?' yells Bam.

He hears an odd sound.

A tail has come up from
the sea!

Is that... a dragon?

Bam wants to see it!

Big waves hit the beach.

The dragon is mad!

Bam will get hurt!

Bam gets his flute.

'Time to have a nap,' he
says.

He starts to play.

The dragon starts to get calm.

The flute works!

The waves leave.

The dragon is gone.

Bam helps his friends fix
the beach.

He is glad he had his
flute!

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
