

THE SEA EGG

illustrated by
Mangkonephet Sayasane

Bob likes to fish
in the sea.

He likes to nap,
too.

Bob has a fish!

Bob wakes up.

The fish is strong.

Is it a seal?

No! It is a big,
long, sea snake!

Bob is scared!

The snake leaps
in to the sea.

Oh no!

Bob falls in!

Bob hangs on to the line.

The snake goes far in the sea.

The sea snake
stops at a rock.

Bob spots an egg.

The snake wants
Bob to help.

Bob will help the snake.

It is hard to reach, but

Bob gets it!

Out of the egg
comes a baby
sea snake!

Bob and the
snake are glad.

Bob is so tired.

The sea snake
takes him home
on his back.

Bob wakes up.

There is no sea snake.

Was it all a dream?

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
