

Time to Go Home

illustrated by
Ade Chintya

Time to go home, Tal!

Do not be late.

Tal can see his pals.

'Come on,
Tal!' say his
pals.

He has fun with his
pals. The calf likes
to eat. They do not
go home.

It is time to go home
so he will not be late.

The calf will not come.

He wants to eat.

No!

It is time to go home.

We can not be late,
calf!

MOOOOOOOOOO!

That is the mum of the
calf.

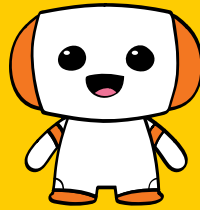

She wants her calf
home.

A watercolor illustration of a rural landscape. In the upper left, a cluster of small houses with red roofs sits on a green hillside. A winding path leads from the houses down towards the bottom left, where a cow and a person are visible. The path continues towards the bottom right, where another cow and person are walking. The landscape is characterized by rolling green hills and patches of brownish-yellow earth. The sky is a deep blue with soft, white clouds. The overall style is soft and painterly, with visible brushstrokes and a gentle color palette.

Time to go home.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
