

# Tin Man

Illustrated by:  
James Woolley

This is Tim the  
tin man.

He found a button.

Who has lost it?

Tim is small, but  
he wants to help.

He will take the  
button to the one  
who lost it.

Watch out!

Tim is so small you  
could step on him.

Take care.

Do not lose  
that button  
Tim!

Is it your button,  
Mr. hound?

No! Don't lick Tim,  
Mr hound!

He needs to find  
the one who lost  
the button.

That is a hard task!

It is too big for a  
small tin man.

The wet ground  
makes Tim wet too.

Ah! But here is  
the one who lost  
the button.

I can fix you,  
Miss Doll.

I have found  
your button.

Tim is a small tin  
man, but he can  
do big things.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **[www.bookbotkids.com/free-books](http://www.bookbotkids.com/free-books)** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **[www.bookbotkids.com](http://www.bookbotkids.com)**.
