

TWO MICE

illustrated by
Aruna Keerthi Gamage

A man lives in
this house.

He is not here.

Tik the mouse
gets in.

Tik finds a rope.

Tik the mouse
bites the rope.

'Ouch!' the rope
says.

'My name is Klik,'
it says.

'I am a mouse!'

'You are not a mouse!' Tik says.

'I am a mouse, and I can help,' says Klik.

'Can you get food?' asks Tik.

'No, but I can help with the cat,' Klik says.

Uh oh.

There is a cat in
this house!

'Help me, Klik, help!'
shouts Tik.

The cat tries to
catch Tik. The
cat is quick!

'Klik! If you are a
mouse, help me!'
shouts Tik.

Klik tricks the cat
with a dog sound!

The cat runs!

Tik is safe!

Tik gives Klik a big hug.
Klik is glad to help.

'You are the best mouse,
Klik!' says Tik.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
