

We Hum to the Sky!

Kaa walks in a dry land. He
has to sing to the sky.

'I hate the
dry!' sings
Kaa. 'I want
the wet!'

Kaa spins. 'I

am Dino,

and I can

sing!' sings

Dino.

'We hate the
dry,' they
sing. 'We
want the
wet!'

The sky is
dark and wet!
'We did it,
Dino!' sings
Kaa.

Kaa gets a
hat. 'We love
the wet sky!'
they sing.

We Hum to the Sky!

Out on the dusty plain, Kaa sings and sings to the empty sky, begging for rain that never comes. But what happens when a giant, grinning stegosaurus stomps down the trail and wants to join the song? Can two very loud singers shake a storm out of the clouds? Stomp, sway, and belt it out with Kaa and Dino! This decodable reader practices open syllables in words such as 'he,' 'we,' 'sky,' and 'dry.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
