

What's Your Name?

illustrated by
Rizky Ramadhan

Does he want
to have a
game?

I send the
ball to him.

He can run
so well!

He sends the
ball left and
right.

Can he
score?

The ball is off!

He grabs it.

A bike!

Quick!

He saves
him.

It was a close
call. The boy
cannot hear.

The boy tells
him his name
with his hands.

He puts his
name in the
dirt.

They are best pals now.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
