

What's Your Name?

illustrated by
Rizky Ramadhan

Jojo has no
crew of mates.

He sees a boy
on the field.

He kicks the ball
to the boy.

He bumps it with
his chest.

He is so fast!

Jojo has long legs,
but he finds it hard
to keep up.

The boy can
shift the ball
from foot to
foot with ease.

Jojo tries to talk
to the boy a few
times, but he does
not hear him.

The boy threw a
hard kick, and
the ball is off.

The boy goes to
get it.

Oh no! A bike
is on the road!

Jojo yanks
the boy off
the road just
in time.

Now he gets
why the boy did
not talk.

He cannot hear.

The boy shows
Jojo his name.
He signs it to
him as well.

Jojo spells his
name in the
dirt so that
Fafa can see
it.

It has been a big day, but they are
each glad to have a new pal.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
