

Where is Pluto?

illustrated by
Mervat Al-Beltagi

The Sun has lost Pluto!

It is on a quest to spot
him.

'It is too hot for him
in this part.'

'He has not come by.'

'He was on the news,
but he is not here.'

They quiz Mars.

No Pluto.

'Does he sit at
the back?'

'He zips by,
but not a lot.'

'You six will not
find him here.'

'He is out on his own.'

Pluto! He is sad.

The news said he
is not a planet.

The Sun does not mind.

He is still a big part
of their group.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
