

WHERE'S JANE?

Illustrated by Mukesh Tamrakar

Hi! My name is Spot!

It's time for Jane to take
me for a walk.

'Time to go to the zoo,
Spot!' she says.

Jane and are at the zoo.

We want to see all the
animals!

I go off first to find a cool
one.

But I can't see where
Jane went.

I think I am lost.

I have to find her.

I see some long hair.

Jane has hair like that!

Is that you, Jane?

Oops! It is not Jane.

It's a horse, and they have
hair too.

Where can Jane be?

I try and find Jane.

In this crowd I can not
see far.

But that looks like the
shirt Jane has!

Oops! That is a tiger.

But then, I hear Jane!

'Where can you be, Spot?'

I am so glad to see Jane!

'Glad to see you too,
Spot!' she says.

Now we can see things in
the zoo.

Bookbot books are free, high quality decodable readers based on the order of sounds introduced by the **Bookbot Scope & Sequence**.

We're delighted to offer them to you to download and print at no cost. But it would be great if you could link to our page **www.bookbotkids.com/free-books** from your school's website so others can enjoy our free books.

We believe in creating an extensive library of decodable readers to inspire and bring confidence to children learning to read. You can find out about our mission at **www.bookbotkids.com**.
